May 30, 2003

REVISED RESPONSE
(To replace response originally filed August 12, 2002)

Sir:

This is in response to the official letter mailed March 1, 2002 and further to the communication dated December 11, 2002.

The applicant is simultaneously filing a five-month extension of time Request to be filed in the United States Patent and Trademark Office with respect to the above-noted application.

Please amend this application as follows.

In the Specification

Please amend paragraphs 28, 34, 40, 42, 43 and 46 as follows, inserting a new paragraph 0040a as indicated:

[0028] The arrangement of Figure 1 is intended to provide controlled humidification of the gas stream supplied to the fuel cell stack 60, and to enable both
